Catering Menu

The Big Easy is happy to offer many of our delicious menu items for your at home or at work parties! If you are ordering for pick up, there is no minimum charge. If you are ordering for delivery, the minimum order is \$150. We deliver within a 15 mile radius of our restaurant for a small fee. Serving utensils, flatware, and dishes are available for purchase as well.

NEED HELP ON DECIDING WHAT TO ORDER?

Our serving sizes are based on the average person's appetite. When ordering for Lunch or smaller appetites, consider ordering a combination of 3-4 items. One salad, one appetizer, and one or two entrees gives you a well-rounded meal that will fill your guests up as well. For Dinner and when you know your guests have bigger appetites, you may want to consider going with 5 items or more. For example: one salad, two appetizers, three entrees, and one dessert gives your guests a good assortment and they will definitely be going home with full bellies and happy faces!

Another helpful tip, when you are choosing more than one entree, you may want to go with a Vegetarian (V) or Gluten-Free (GF) option as well as an entree with meat or seafood. Still have questions? Call us at (919) 832-6082, we are always happy to help!
